

Submissions to Gallery Minerva

This is the procedure that we ask any artist interested in showing with Gallery Minerva to follow for our consideration.

- 1) Please email the gallery at least seven digital images of your work. These images should be a good representation of your work that is currently available for sale.
- 2) Each image should be labeled with the size, name of piece and retail price.
- 3) Write a little about yourself, your experience with other galleries, group or one-man shows and your training, if any. This does not have to be a formal resume.
- 4) Forward all emails to: submissions@galleryminerva.com

Thank you for your interest in Gallery Minerva.
We look forward to viewing your work.
